

The Micor logo features the word "micor" in a white, lowercase, sans-serif font, with a registered trademark symbol (®) to its upper right. The text is set against a solid orange rectangular background. The background of the entire advertisement is a scenic photograph of a forest at sunset, with tall evergreen trees silhouetted against a warm, orange and yellow sky. In the foreground, a large, close-up view of a circular saw blade with several teeth is visible, partially overlapping the sunset scene. A small orange icon of a key is located in the top right corner of the image. On the left side, there are three horizontal bars in blue, white, and red. A circular orange callout bubble with a white border is positioned on the right side, containing the text "Order- & offert-begäran." in white. The text "when performance counts" is written in a white, sans-serif font on the left side of the image, with "when" in a smaller font size and "performance counts" in a larger font size. A bright light flare is visible near the bottom center of the saw blade.

when
performance
counts

Order- & offert-
begäran.

Kapning av stål

00BAE.....

För kapning av ohärdat stål

10BAE.....

För kapning av rostfritt stål. Observera att rostfritt material är mycket slitande varför omslipning måste ske oftare.
